Law Firm Sponsorship Program – 2016-17

The Law Firm Sponsorship Program is designed to enable the law firms in the Baltimore region to demonstrate their continuing support of the Bar Association of Baltimore City. Once each year, law firms are asked to make or renew their commitment to the goals of the BABC and their support for its programs. The Law Firm Sponsorship Program has been intentionally designed to provide to supporting law firms significant value in the form of benefits throughout the bar year. Tickets for events will be mailed well in advance of the events, thus enabling firm members to put the events on their calendars at a time that scheduling conflicts will be minimal. Through support for this program, law firms will be able to make a single annual commitment to the BABC, substituting for ad hoc, periodic appeals for support. Payment for a firm's sponsorship can be made through a single, initial payment to the BABC, or the BABC can send monthly or quarterly invoices.
